We would also be grateful if you would remember the Club in your will.

Harefield Transplant Club aims to provide for the relief of persons and their family and carers who have had or are hoping to have an organ transplant through the provision of support and recreational and sporting activities, in order to rehabilitate those persons and improve their condition of life. We are funded through annual membership fees, charitable donations and fund raising projects. Events are scheduled throughout the year and include the British Transplant Games, although the highlight, traditionally in October, is the annual reunion dinner. The Club's Annual General Meeting is held the same weekend. Our Club regularly publishes a member's Newsletter, which *will be sent to your email address* unless you request a hard copy.
